SUBJECT INDEX

- [¹⁴C]-urea breath test; for presence of *Helicobacter pylori* 37
¹³¹I MIBG; tumour size as indicator for uptake of, in paraganglioma and pheochromocytoma 350

A

- abdomen
 diagnosis of injuries to following blunt trauma (Review) 770
 surgery for Crohn's disease in older patients 199
 abdominal aortic aneurysm *see* aneurysm, abdominal aortic
 abscess
 apocrine ductal carcinoma *in situ* of the breast presenting as (Case Report) 72
 breast; non-operative treatment of (Comment) 316
 post-appendectomy intra-abdominal; risk factors for 373
 pyogenic liver; review of management 205
 abstracts; 51st Scientific Meeting of the Urological Society of Australasia, March 1998 A105, A117
 access, surgical; to pelvis in difficult cases (Case Report) 237
 actinomycosis; inflammatory pseudotumour secondary to infection by (Case Report) 467
 adenitis, cervicofacial; due to atypical mycobacteria 426
 adenoma
 role of sulindac in FAP patients with ileal pouch polyposis (Case Report) 756
 villous; of the bladder (Case Report) 247
 adhesion, peritoneal; reduction of, by spray of phospholipid powder (Surg. Research) 388
 adjuvant therapy; for rectal cancer (Comment) 619
 adrenaline; effect of on mesenteric blood flow in endotoxaemia (Surg. Research) 134
 adriamycin; and communicating bronchopulmonary foregut malformation (Surg. Research) 56
 aesthetic surgery; review of latest developments (CME) 745
 aircraft; hospital response to accident (Trauma '98) 573
 alcohol; risk factors for women recalled after screening for breast cancer 639
 Alvarado score; and evaluation of appendicitis (Comment & Reply) 821
 amino acids, branched-chain; effect of, in hepatocellular cancer patients 811
 Aminoleban; effect of branched-chain amino acids in hepatocellular cancer patients 811
 ampulla; surgical treatment for cancer of the (Ed. Comment) 170
 ampulla of Vater; outcome of surgery for tumour 195
 amputation; early operations (Surg. History) 871
 anastomosis
 bilio-enteric; bile duct injury during laparoscopic cholecystectomy 844
 failure of due to equipment malfunction (Case Report) 402
 anatomy
 of the extrathoracic intercostobrachial nerve (Surg. Anatomy) 860
 of the liver (Ed. Comment) 167
 aneurysm
 abdominal aortic
 cost of elective and emergency repair 651
 graft dilatation following 849
 quality of life after emergency repair 447
 multiple visceral; presenting with haemobilia (Case Report) 545
 angioedema; due to angiotensin converting enzyme, presenting as subglottic stenosis (Case Report) 320
 angiography
 diagnosis of carotid body tumours 852
 stenting of the coeliac axis following pancreaticoduodenectomy (Case Report) 823
 angiotensin converting enzyme; as cause of angioedema, presenting as subglottic stenosis (Case Report) 320
 anorectal physiology; effect of vaginal delivery on anal function (Review) 172
 antegrade continence enema, laparoscopic; early experience with (Surg. Technique) 308

- antimicrobial prophylaxis; single- versus multiple-dose for major surgery (Comment & Reply) 68
 antipyretic; neutropenic enterocolitis due to dipyrone (Case Report) 680
 anti-reflux surgery; postoperative complications of laparoscopic Nissen fundoplication (Case Report) 887
 aorta, thoracic
 dissection of in polycystic kidney disease (Case Report) 324
 leiomyosarcoma of the (Case Report) 537
 apocrine ductal carcinoma *in situ*; of the breast (Case Report) 72
 apoptosis; deregulation of in colorectal cancer (Review) 88
 appendectomy; risk factors for intra-abdominal abscess 373
 appendicitis
 diagnosis of using computed tomography 664
 evaluation of through modified Alvarado score (Comment & Reply) 821
 insurance and risk of rupture in 31
 appointments; analysis of orthopaedic patient waiting time 455
 artery, carotid; prevalence of stenosis in Chinese patients 44
 Asia; gamolenic acid as treatment for cyclical mastalgia 492
 assessment; evaluation of trauma team leader by video recording 183
 atresia
 cystic duct; with cholecystocele (Case Report) 889
 oesophageal; communicating bronchopulmonary foregut malformations (Surg. Research) 56
 autogenous peritoneo-fascial graft; utilization of in inferior vena cava resection (Surg. Technique) 391
 autotransplantation
 of parathyroid during total thyroidectomy 794
 splenic; analysis of regenerated tissue (Surg. Research) 522
 axillary node dissection; anatomy of the extrathoracic intercostobrachial nerve (Surg. Anatomy) 860

B

- Bcl-2; deregulation of apoptosis in colorectal cancer (Review) 88
 Bernhard Riedel; early operation for acute severe cholecystitis (Surg. History) 871
 bile duct
 blood supply of 816
 cystic duct atresia with cholecystocele (Case Report) 889
 injury to during laparoscopic cholecystectomy 844
 bladder
 choriocarcinoma of the urinary (Case Report) 533
 neuropathic; treatment of poor emptying after spinal cord injury 660
 villous adenoma of the (Case Report) 247
 blood supply; of the biliary ductal system 816
 Bochdalek hernia; adult incarcerated right-sided (Case Report) 239
 bone
 graft; donor site morbidity in the iliac crest 726
 risk of HIV transmission in allograft 517
 book reviews 329, 895
 Borelli, Giovanni; and the study of human movement (Surg. History) 276
 bowel
 obstruction; colonic intussusception in Crohn's disease (Case Report) 683
 use of flexible sigmoidoscopy in colorectal cancer screening 14
 brachytherapy; current trends in management of prostate cancer 707, (Pers. View) 695
 brain; familial fatal and near-fatal third ventricle colloid cyst 733
 BRCA1,2 *see* cancer, breast
 breast; giant lymphangioma of the (Case Report) 891
 bronchopulmonary foregut malformations; and oesophageal atresia (Surg. Research) 56
 bronchus; reconstruction after traumatic rupture of (Case Report) 463
Burkholderia pseudomallei; melioidosis of the prostate (Case Report) 154
 Burkitt's lymphoma; study of, in Papua New Guinea 778

C

- calf perforating veins; haemodynamics of 214
- cancer *see also* tumour
- cancer
- ampullary; surgical treatment of (Ed. Comment) 170
- bladder; choriocarcinoma (Case Report) 533
- breast
- apocrine ductal carcinoma *in situ* presenting as chronic abscess (Case Report) 72
- barriers to accrual in randomized clinical trials 486, (Comment) 677
- chemotherapy complicated by neutropenic proctosigmoiditis (Case Report) 681
- comparison of rural and metropolitan workload 178
- genetic basis of (Review) 95
- guidelines for surgical management of (Comment) 748
- insulin-like growth factor binding protein-3 495
- levels of malondialdehyde and nitric oxide biosynthesis 647
- magnetic resonance spectroscopy and the adenoma-carcinoma sequence (Comment) 531
- management of in the elderly by complete local excision and tamoxifen 790
- outcomes at the Strathfield Breast Centre (Comment) 396
- prediction of patient survival (Comment) 67
- predictors of, in women recalled following screening for 639
- radiotherapy for invasive lobular 450
- colorectal
- deregulation of apoptosis in (Review) 88
- peritonectomy and intraperitoneal chemotherapy 729
- practice parameters and management guidelines (Review) 415, 472, (Ed. Comment) 410
- screening for by flexible sigmoidoscopy (Ed. Comment) 2
- use of flexible sigmoidoscopy in screening 14
- gall bladder; development of implantation carcinoma after laparoscopic cholecystectomy for (Case Report) 406, (Comment) 883
- gastric; in patients under 50 443
- head and neck mucosal squamous; role of neck dissection in (CME) 865
- helium gas inhibits tumour growth (Surg. Research) 52
- hepatocellular
- effect of branched-chain amino acids in patients with liver resection 811
- liver transplantation for, in cirrhotic patients 798
- implantation metastases after laparoscopic cholecystectomy (Case Report) 406, (Comment) 883
- infiltrating lobular; of the breast 450
- laryngeal
- complications of radiotherapy treatment (Case Report) 161
- neck dissection (CME) 865
- nasopharyngeal; pattern of nodal recurrence 354
- management and treatment outcomes for Merkel cell carcinoma (Pers. View) 87

- prognostic systems; application of in differentiated thyroid carcinoma 625
- proliferating cell nuclear antigen; predictors for local recurrence of desmoid tumour 782
- prostate; meliodiosis of the (Case Report) 154
- prosthesis, blood vessel; dilatation of after abdominal aortic aneurysm 849
- pseudo-Rontals tenotomy; laryngeal radionecrosis after cancer treatment (Case Report) 161
- pseudotumour, inflammatory; secondary to actinomyces infection (Case Report) 467

Q

- quality of life; after emergency abdominal aortic aneurysm repair 447

R

- RACS examination; replacement of Type K with Type X multiple choice questions (Surg. Education) 311
- radiation exposure; during fluoroscopy 847
- radiology; review of management for pyogenic liver abscess 205
- radiotherapy
 comparison with surgery for invasive lobular carcinoma of the breast 450
 current trends in management of prostate cancer 707, (Pers. View) 695
 exposure during fluoroscopy 847
 pattern of nodal recurrence in nasopharyngeal carcinoma 354
 pre-operative; for rectal cancer 737
 study of adult head and neck lymphoma in Papua New Guinea 778
- reconstruction
 review of latest surgical developments (CME) 745
 Roux-en-Y; after pancreaticoduodenectomy 363
- rectal bleeding; current trends in radiation management of prostate cancer 707, (Pers. View) 695
- recurrence
 predictors for, of desmoid tumours 782
 total mesorectal excision and chemotherapy for rectal cancer (Pers. View) 622
- reflux
 gastro-oesophageal; postoperative complications of laparoscopic Nissen fundoplication (Case Report) 887
 ureteric; treated by endoscopic teflon injection (Surg. Technique) 856
- reperfusion injury; blood lipid profile in ischaemic (Surg. Research) 224
- resection; of inferior vena cava and utilization of autogenous peritoneo-fascial graft (Surg. Technique) 391
- residency; Fellowships in the USA (Surg. Education) 527
- retroperitoneum; giant leiomyosarcoma of transverse mesocolon (Case Report) 749

- rhabdomyosarcoma; testicular tumour in children 505
 risk factor
 for ankle fractures requiring operative fixation 220
 for post-appendectomy intra-abdominal abscess 373
 for women recalled after breast cancer screening 639
 Robert Liston; review of operations carried out by (Surg. History) 871
 rotator cuff; quadriceps tendon donor site morbidity 808
 Roux-en-Y; reconstruction after pancreaticoduodenectomy 363
 rupture, uterine; spontaneous mid-trimester (Case Report) 685
 rural
 surgeon; training of (Pers. View) 413, (Comment & Reply) 885
 surgery; comparison with metropolitan breast cancer workload 178
 S
 sarcoidosis; presenting as hoarseness and dysphagia (Case Report) 751
 sarcoma
 adult soft-tissue; management of (Review) 336
 extremity soft-tissue; survival and recurrence factors for 344
 scarring; treatment of keloids and hypertrophic scars with corticosteroids 655
 schwannoma, presacral; surgical access to pelvis (Case Report) 237
 scoring system; Alvarado score and evaluation of appendicitis (Comment & Reply) 821
 screening; flexible sigmoidoscopy and colorectal cancer 14
 scrotum; lymphoedema of the, in Down's syndrome (Case Report) 75
 self-catheterization, intermittent; versus outpatient dilatation 41, (Comment) 884
 sepsis
 anorectal; and classification of fistula-in-ano (Pers. View) 768, (Ed. Comment) 767
 mesenteric blood flow in endotoxaemia (Surg. Research) 134
 shielding, lead; radiation exposure during fluoroscopy 847
 shoulder
 quadriceps tendon donor site morbidity 808
 surgical repair for recurrent anterior instability 802
 sigmoidoscopy
 flexible
 screening by, for colorectal cancer (Ed. Comment) 2
 use as screening tool for colorectal cancer 14
 sinusitis; and Pott's puffy tumour (Case Report) 759
 skin incision; 'stab and split' technique of (Surg. Technique) 229
 sodium aminopyrine sulphonate (dipyron); causing neutropenic enterocolitis (Case Report) 680
 speech therapy; unilateral vocal fold paralysis 509
 spinal cord; management of neuropathic bladder following injury to 660
 spiral computed tomographic angiography; assessment of living kidney donors 217
 spleen
 analysis of regenerated tissue (Surg. Research) 522
 carcinoid tumour of the (Case Report) 70
 predictive factors in trauma to the 430
 unusual features and review of vascular lesions of the (Review) 422
 splenic flexure; volvulus of, presenting as proximal small intestinal obstruction (Case Report) 318
 stapler, Auto Suture Premium Plus; anastomotic failure due to malfunction of (Case Report) 402
 statistics; data collection and evaluation (Ed. Comment) 409, (Pers. View) 411
 stenosis
 of the coeliac axis following pancreaticoduodenectomy (Case Report) 823
 subglottic; as presentation for angiotensin converting enzyme-induced angioedema (Case Report) 320
 stent
 oesophageal; and tracheal obstruction after insertion of (Case Report) 77
 self-expandable metal; as treatment for dysphagia 668
 sterilization; of HIV with irradiation 517
 stoma; technique for determining skin trephine size (Surg. Technique) 675
 stricture
 bile duct injury during laparoscopic cholecystectomy 844
 rectal; due to tuberculosis (Case Report) 828
 sulindac; role of in FAP patients with ileal pouch polyposis (Case Report) 756
 surgery
 ambulatory; day-stay versus overnight-stay laparoscopic cholecystectomy 841
 comparison with radiotherapy for infiltrating lobular carcinoma of the breast 450
 developments of during the last decade (Ed. Comment) 833
 training of rural general surgeons (Pers. View) 413, (Comment & Reply) 885
 survey; current control measures for methicillin-resistant *Staphylococcus aureus* 712
 survival
 current trends in radiation management of prostate cancer 707, (Pers. View) 695
 factors for, in soft-tissue sarcoma 344
 outcome of surgery for ampullary tumour 195
 prediction of, for breast cancer patients (Comment) 67
 Sydenham, Thomas; and his contribution to English medicine (Surg. History) 258
 sympathectomy, thoracic; endoscopic technique for primary palmar hyperhidrosis (Surg. Technique) 60
 T
 tamoxifen; management of breast cancer in the elderly 790
 technetium-99m sestamibi; pre-operative localization and tissue uptake study in parathyroid imaging 629
 teflon; ureteric reflux treated by endoscopic injection of (Surg. Technique) 856
 tendon, quadriceps; donor site morbidity 808
 testis; tumours of the, in children 505
 third ventricle; familial fatal and near-fatal colloid cyst 733
 thrombo-embolism, venous; prevention of (Pers. View) 4
 thrombophlebitis, superficial indicator of hypercoagulable state (Case Report) 461
 thrombosis, deep vein; prevention of (Pers. View) 4
 thyroid
 hemithyroidectomy and risk of recurrence 34
 nodules; use of fine needle aspiration cytology in diagnosis of 131
 presternal extension of malignant swelling in (Case Report) 241
 radiation exposure to during fluoroscopy 847
 Thomas Peel Dunhill and pioneering surgery on the (Surg. History) 375
 thyroidectomy
 application of prognostic scoring systems 625
 autotransplantation of parathyroid gland during 794
 pre-operative laryngoscopy and voice change 632
 thyroiditis, recurrent; secondary to piriform sinus fistula (Case Report) 891
 TNF *see* tumour necrosis factor
 tongue; malignant peripheral nerve sheath tumour of the (Case Report) 243
 tonsillectomy; causing torticollis (Case Report) 163
 torticollis; following adenotonsillectomy (Case Report) 163
 Townsville; Black Hawk helicopter mid-air collision (Trauma '98) 571
 training
 addition of physicians to emergency services 697, (Ed. Comment) 690
 assessment of hospital disaster teams 702
 contributions to, and Coree Station (Surg. History) 144
 Early Management of Severe Trauma scholarship report
 South Carolina compared with Echuca (Trauma '98) 562
 Washington DC and Boston (Trauma '98) 561
 in open cholecystectomy (Pers. View) 834
 paediatric surgery (Comment & Reply) 234
 rural general surgeons (Pers. View) 413, (Comment & Reply) 885
 transanal endoscopic microsurgery; follow-up hazards of (Case Report) 829
 transplantation
 auto; of parathyroid during total thyroidectomy 794
 liver; for hepatocellular carcinoma in cirrhotic patients 798
 renal
 dissection of thoracic aorta in polycystic kidney disease (Case Report) 324
 laparoscopic live donor nephrectomy 365
 Trauma '98
 aircraft accident 573
 Australasian review of chest trauma 573

- Black Hawk helicopter mid-air collision 571
 computed tomography and the severely traumatized child 587
 development of in Papua New Guinea 557
 doctor's emergency kit 594
 extrication prize 564
 history of the course 551
 introduction to the 10-year anniversary meeting of the Early Management of Severe Trauma course (Ed. Comment) 549
 management of trauma in the elderly 584
 paediatric problems in trauma 589
 Port Arthur and disaster planning 569
 President's address 597
 review
 of chest trauma 573
 of elbow trauma 578
 of ocular trauma 582
 role of nurses 554
 scholarship report
 South Carolina compared with Echuca 562
 Washington DC and Boston 561
 training of advanced trauma life support personnel 567
 ultrasound assessment workshop 592
 use of ultrasound in patient assessment 590
 trauma *see also* Trauma '98
 addition of physicians to emergency services and decrease in blunt trauma mortality 697, (Ed. Comment) 690
 assessment of hospital disaster teams 702
 blunt
 diagnosis of gastrointestinal tract injuries (Review) 770
 management of liver injuries (CME) 609
 chest; reconstruction of bronchus after rupture of (Case Report) 463
 evaluation of team leader performance by video recording 183
 iatrogenic; study of pressure generated by laparoscopic instruments 127
 pancreatic; review of injury class 357
 reconstruction of bronchus after rupture of (Case Report) 463
 ring avulsion injuries 514
 splenic; predictive factors in 430
 trephine; technique for determining size of (Surg. Technique) 675
 tuberculosis
 and lymphoma of the ileum (Case Report) 543
 causing rectal stricture (Case Report) 828
 tumour
 ampullary; outcome from surgery 195
 anterior skull base; craniofacial resection of (Comment & Reply) 235
 bladder; rapidly enlarging neurofibroma (Case Report) 326
 breast; cystosarcoma phyllodes 635
 carcinoid; of the spleen (Case Report) 70
 carotid body; angiography and diagnosis of 852
 desmoid; predictors for local recurrence of 782
 giant leiomyosarcoma of transverse mesocolon (Case Report) 749
 helium inhibits growth of (Surg. Research) 52
 malignant peripheral nerve sheath, of the tongue (Case Report) 243
 parotid; technique for removal of (Comments) 531, 882
 peritoneal metastases 14
 prevalence of pheochromocytoma in southern India 458
 recurrence of at port site (Review) 479
 size of, as indicator for ¹³¹I MIBG uptake in paraganglioma and pheochromocytoma 350
 testicular; in children 505
 tumour necrosis factor cytokines; evaluation of, in laparoscopic versus open cholecystectomy 369
- ### U
- ulcer, perforated duodenal; role of abdominal drains 210
 ulcerative colitis; review of procedure for 22
 ulnar nerve; familial instability (Case Report) 754
 ultrasonic scalpel; and hepatic cysts (Surg. Technique) 743
 ultrasound
 assessment of trauma patient workshop (Trauma '98) 592
 diagnosis of gastrointestinal tract injuries following blunt trauma (Review) 770
 use in assessment of trauma patients (Trauma '98) 590
 ureter; endoscopic teflon injection as treatment for reflux of the (Surg. Technique) 856
 urethra
 intermittent self-catheterization versus outpatient dilatation 41, (Comment) 884
 melanoma of the 121
 urethrotomy; intermittent self-catheterization versus outpatient dilatation 41, (Comment) 884
 Urological Society of Australasia; Abstracts of the 51st Scientific Meeting, March 1998 A105, A117
 uterus; spontaneous mid-trimester rupture of (Case Report) 685
- ### V
- vagina; melanoma of the 121
 varicose veins; haemodynamics of calf perforating veins 214
 vascular disease, peripheral; in Chinese patients with carotid stenosis 44
 vein
 haemodynamics of calf perforating 214
 varicose, and haemodynamics of calf perforating veins 214
 Vesalius; and history of sympathectomy (Surg. History) 302
 videotape; evaluation of trauma team leader by 183
 vision; review of ocular trauma (Trauma '98) 582
 vitamin A; and premature epiphyseal closure (Case Report) 825
 vocal cords
 causes and outcomes of vocal fold paralysis 509
 sarcoidosis presenting as hoarseness and dysphagia (Case Report) 751
 voice change and pre-operative indirect laryngoscopy 632
 vocal fold paralysis; causes and outcomes 509
 vulvulus
 caecal; after laparoscopic cholecystectomy (Case Report) 79
 of splenic flexure, presenting as intestinal obstruction (Case Report) 318
 vulva; melanoma of the 121
- ### W
- Whipple's operation; stenting of the coeliac axis following (Case Report) 823
 Wiseman, Richard; trauma surgery during the military revolution (Surg. History) 291
 workload; comparison between rural and metropolitan for breast cancer 178
 wound infection *see* infection, wound
